HIGH
PERFORMANCE
ENGINE OIL

HELLO™ HIGH PERFORMANCEENGINE OIL SAE 40 [TOP-UP] for engines with high oil consumption or for intermittent use, High Performance Engine Oil (Top-Up) SAE 40 mono-grade offers the cost competitive solution for engine lubrication.

CARTON PACKING

- 24 x 1L

BENEFITS

- Good as a top-up.
- Suitable choice for owner seeking for more economical engine oil.
- Recommended for both diesel & gasoline engines.
- Reasonable wear protection and soot-dispersancy.
- Average performance in reducing contamination by soot, which causes wear & oil thickening.
- Reasonable in reduction of contamination by fuel which causes bearing corrosion & wear .
- Slight anti-foam property important for engine oil use as hydraulic fluid in the fuel injection engine.
