ENGINE FLUSH [236 ML]

HELLO™ ENGINE FLUSH cleanses important or critical engine components from harmful deposits and contaminants which prevents oil flow. It cleans the crankcase cylinder walls, pistons and piston rings, oil pumps, bearings, valves, con-rods for maximum efficiency, protection and performance. Specially formulated for all Proton, Myvi, Naza, Kia, Hyundai, Voxwagen, BMW, Mercedes, Volvo, etc. Recommended for use before each oil change for improved engine performance.

CARTON PACKING

- 24 x 236ML

BENEFITS

- Cleans sludge deposits, varnish & tar from engine.
- Ascertain oil clear of carbon & deposit build-up.
- Prolongs engine life.
- Improves engine pick-up power.
- Optimize engine compression.
- Makes engine run smoother, quieter & cooler.
- Improves acceleration.
- Eliminates hard starting.
- Improves fuel economy.
- Improves engine performance.
